Re: Freedom of Information Act Request for Records Relating to Report of the
Cancer Assessment Review Committee on Glyphosate

Dear Freedom of Information Officer:

Pursuant to the Freedom of Information Act (FOIA), as amended, 5 U.S.C. §§ 552 et seq., and implementing regulations promulgated by the U.S. Environmental Protection Agency (EPA), 40 C.F.R. Part 2, I am hereby requesting copies of all Records related to the Cancer Assessment Review Committee's Final Report entitled "Cancer Assessment Document, Evaluation of the Carcinogenic Potential of Glyphosate," dated October 1, 2015. In particular, I seek copies of all written or electronic communications relating to the Final Report.

As used in this request, the term "Records" has the meaning in 5 U.S.C. § 552(f)(2).

I understand that pursuant to EPA's FOIA regulations, I can expect a response to this request within 20 working days of your receipt of this letter. To facilitate a timely response, please forward me interim responses as subsets of responsive records become available. Should EPA decide to withhold any responsive documents, please provide me a "Vaughn Index" identifying each such document withheld and the basis for withholding it.
